UT Libraries Assessment Planning Group Mission

The mission of the Assessment Planning Group is to provide support for the achievement of the Libraries’ strategic goals and to facilitate continual improvement in meeting user needs by identifying assessment priorities, planning data-driven assessment activities, and communicating and acting on assessment results.

The Group also contributes to fostering a culture of assessment throughout the libraries.
UT Libraries Assessment Planning Group Membership

• Chaired by the Assessment Librarian
• Comprised of appointed members of the library faculty and staff, for a total of seven members
• Membership is for a limited two year term, with three new members rotating on each year
• A non-voting advisory body
• Meets monthly or as needed
Recent Activities of the Group

- Choosing assessment priorities and developing assessment plan
- Creating guiding values/principles for assessment program
- Consulting on assessment design
- Selecting local questions for LibQUAL+
- Communicating assessment results and plans
- Assisting in data collection efforts
