- Some other health insurance ...................................................
  (Specify ______________________________________________)
- Refused to answer ...................................................................
- Don’t Know ...........................................................................

13. Have you visited a doctor, nurse or other health care provider in the past 12 months?

- No ...........................................................................................
- Yes ...........................................................................................
- Refused to answer ...................................................................
- Don’t Know ..............................................................................
13a. During your visit, did the health care provider or someone in their office, clinic or hospital recommend that you get an HIV test?

No............................................................... 0
Yes.............................................................. 1
Refused to answer............................................. 7
Don’t Know..................................................... 9
SEXUAL BEHAVIOR

SAY:
Next, I'm going to ask you some questions about sex. Remember that the answers you give me will be private, and this interview does not have your name on it. It's important that your answers be as accurate as possible. I need to ask all the questions even if some may not apply to your situation.

[Interviewer: Use your discretion in using slang terms for the following sexual behavior questions.]

INTERVIEWER INSTRUCTIONS: Refer to Question #4 (Gender)

Male □  ➔ Go to next question
Female □  ➔ Skip to Page 32, #22
Transgender □  ➔ Skip to Say Box on Page 44, before #25

FOR MALE RESPONDENTS ONLY

14. How many women have you had oral, anal or vaginal sex with in the past 12 months?

[Refused = 7777, Don’t Know = 9999]  ➔ If0, 7777, or 9999,
                    Skip to Page 19, #17

Female Main Partner (Male Respondent)

SAY: Next we would like to ask you questions about main partners. By main partner, I mean a woman that you have sex with and where you feel committed to her above anyone else. This is a partner that you would call your girlfriend, spouse, significant other, or life partner.

15. Of the ___[insert number from #14] women you’ve had oral, anal or vaginal sex with in the past 12 months, how many of them were main partners?

[Refused = 7777, Don’t Know = 9999]  ➔ If0, 7777, or 9999,
                    Skip to Say Box on Page 11, before #16

DRUG USE HISTORY

**SAY:** The next questions are about drug use. Please remember that your name is not on this form.

25. Have you ever in your life shot up or injected any drugs (other than those prescribed for you)? By shooting up, I mean anytime you might have used drugs with a needle, either by mainlining, skin popping or muscling.

   No........................................................................................................... □ 0  →  **Skip to Page 54, #37**
   Yes........................................................................................................... □ 1
   Refused to answer.................................................................................. □ 7  →  **Skip to Page 54, #37**
   Don’t Know............................................................................................. □ 9

26. Now think back to the very first time you injected a drug, excluding any used for medical purposes. How old were you when you first injected a drug?

   [777=refused, 999=can’t recall] __________

27. When was the last time you injected any drug?

   [77/7777=refused, 99/9999=can’t recall] \( \frac{7}{7} \)

<table>
<thead>
<tr>

39. In the past 12 months, have you used Viagra or Levitra?

- No | 0
- Yes | 1
- Refused to answer | 7
- Don’t Know | 9

*Skip to Say Box on Page 56, before #40*

39a. Did you use Viagra or Levitra at the same time you were high or buzzed on _________ (insert drug name(s) used in the past 12 months)?

- No | 0
- Yes | 1
- Refused to answer | 7
- Don’t Know | 9

*Skip to Say Box on Page 56, before #40*
Drug Treatment

SAY: Next, I’m going to ask you about drug or alcohol treatment programs. These include out-patient, residential, detox, or methadone treatment programs.

40. Have you ever been in a drug or alcohol treatment program?

No. .................................................................................................................. □ 0  ▶ Skip to SAY Box on Page 57, before #41
Yes. ..................................................................................................................... □ 1
Refused to answer ............................................................................................. □ 7  ▶ Skip to SAY Box on Page 57, before #41
Don’t Know ..................................................................................................... □ 9

40a. How many times have you ever been in a drug or alcohol treatment program?

[Refused = 777, Don’t Know = 999] _______

40b. When was the last time you were in drug or alcohol treatment?

[77/7777=refused, 99/9999=can’t recall] _______ / (MM YY YY YY YY)
HIV TESTING EXPERIENCES

**SAY:** Now I'm going to ask you a few questions about getting tested for HIV. An HIV test checks whether someone has the virus that causes AIDS.

41. Have you ever been tested for HIV?

   No.................................................. □ 0  →  Skip to Page 61, #51

   Yes.................................................. □ 1

42. When did you have your first HIV test?

   [77/7777 = refused, 99/9999 = can't recall]

43. When did you have your most recent HIV test?

   [77/7777 = refused, 99/9999 = can't recall]

44. What was the result of your most recent HIV test? [DO NOT Read choices, check only one.]

   Negative........................................... □ 1  →  Skip to Page 62, #52

   Positive.......................................... □ 2

   Didn't get the result of the last test................ □ 3

   Indeterminant..................................... □ 4

   Refused to answer................................ □ 7

   Don't Know........................................ □ 9  →  Skip to Say Box on Page 68, before #61

45. In the past 2 years, how many times have you been tested? [Give dates as reference points if needed]

   [Refused = 777, Don't Know = 999]  →  If Zero, Skip to Instructions Box on Page 58

46. Of the ___ [insert number from #45] times you were tested in the past 2 years, how many times did you not get the results of the test? [Give dates as reference points if needed]

   [Refused = 777, Don't Know = 999]  →  If 0, 777 or 999, Skip to Instructions Box on Page 58
Think about the last time you didn’t get your HIV test result. What was the main reason you didn’t get your result? [Write down the main reason, probe with additional questions if necessary. DO NOT Read reason types. Choose only one reason type.]

Reason: _________________________________

50. When you got tested on _____/____ [insert date from #43], what kind of HIV test was used? [Read choices, check only one]

A rapid test, where someone drew your blood and you got the results within a few hours or less........................................... 1

A test, where someone drew your blood and you had to return in a few weeks for the results........................................... 2

An oral test, where you or someone else took a swab from your mouth........................................... 3

Or some other type of test (Specify________________). 4

Refused to answer........................................... 7

Don't Know........................................... 9

SKIP TO "SAY" BOX ON PAGE 68, BEFORE #61
[PERSONS WHO HAVE NOT TESTED FOR HIV IN THE PAST 12 MONTHS]

51. I am going to read you a list of reasons why some people have not been tested for HIV. Please tell me if the following are reasons why you have not been tested for HIV in the past 12 months. I will read each reason and you should answer No or Yes for each one.

[Read choices, check No or Yes for each one]

Have you not been tested in the past 12 months:

a. Because you haven’t done anything to get HIV? ............................................... No ................................. Yes .................................

b. Because you were afraid of finding out that you had HIV? ........................................ No ................................. Yes .................................

c. Because you don’t know where to go to get tested? ........................................ No ................................. Yes .................................

d. Because you couldn’t get transportation to a testing place? ........................................ No ................................. Yes .................................

e. Because you don’t like needles? ........................................................................ No ................................. Yes .................................

f. Because you were worried your name would be reported to the government if you tested positive? ........................................ No ................................. Yes .................................

g. Because you were worried someone would find out about your test results? ......................... No ................................. Yes .................................

h. Because you were afraid of losing your job, insurance, housing, family or friends if people found out you tested positive? ........................................ No ................................. Yes .................................

i. Because you didn’t have time? ........................................................................ No ................................. Yes .................................

j. Because you didn’t have the money or the insurance to pay for the test? ......................... No ................................. Yes .................................

51k. Is there any other important reason why you have not been tested for HIV in the past 12 months that I have not mentioned?

No ........................................................................ No .................................

Yes (Specify ________________) ............................................... Yes .................................

[Interviewer: If only one reason given above, write the letter in #51l. If more than one reason given above, then ask:]

51l. Which of these reasons was the most important reason you have not been tested for HIV in the past 12 months? [Read each of the above reasons answered “Yes.” Write the letter of the main reason in the box below.]

[refused=7, don’t know=9]

SKIP TO "SAY" BOX ON PAGE 68, BEFORE #61
[PERSONS WHO HAVE TESTED HIV POSITIVE]

52. When did you first test positive for HIV?

[77/7777 = refused, 99/9999= can’t recall]

53. The first time you tested positive, where did you get tested?

[Write down site name and classify that site, probe with additional questions if necessary. DO NOT Read site types. Choose only one site type.]

Site:

HIV/AIDS street outreach program/Mobile Unit.......................... 01
HIV counseling and testing site............................................... 02

Health Conditions

SAY: Next I’m going to ask you some questions about sexually transmitted diseases (or STDs).

62. In the past 12 months, have you been tested for syphilis, gonorrhea or some other STD? [DO NOT Read choices, check all that apply]

a. Syphilis......................................................... [ ]
   b. Gonorrhea (clap or drip)................................... [ ]
   c. Some other STD (Specify________________________) [ ]
   d. Refused....................................................... [ ]
   e. Don’t know................................................................ [ ]

62a. In the past 12 months, has a doctor or nurse told you that you had an STD? [DO NOT Read choices, check all that apply]

a. No................................................................. [ ]
   b. Yes, Syphilis.................................................... [ ]
   c. Yes, Gonorrhea (clap or drip)............................ [ ]
   d. Yes, some other STD (Specify____________________) [ ]
   e. Refused......................................................... [ ]
   f. Don’t know.................................................... [ ]

SAY: The next questions are about hepatitis, an infection of the liver.

63. Has a doctor or nurse ever told you that you have hepatitis C?

No................................................................. [ ]
   Yes............................................................... [ ]
   Refused to answer............................................. [ ]
   Don’t Know................................................... [ ]

63a. Have you been tested for hepatitis C in the past 12 months?

No................................................................. [ ]
   Yes............................................................... [ ]
   Refused to answer............................................. [ ]
   Don’t Know................................................... [ ]
64. Has a doctor or nurse ever told you that you have Hepatitis B?

No.................................................................☐ 0  \textbf{Skip to #65}
Yes...............................................................☐ 1
Refused to answer.............................................☐ 7
Don’t Know.....................................................☐ 9

64a. Are you currently taking medications to treat Hepatitis B infection?

No.................................................................☐ 0
Yes...............................................................☐ 1
Refused to answer.............................................☐ 7
Don’t Know.....................................................☐ 9

65. A vaccine is a shot that can prevent you from getting certain infections or diseases. Hepatitis vaccine is given several times as a shot in the arm. Usually there are several months in between the shots. Have you ever had a vaccine for hepatitis?

No.................................................................☐ 0  \textbf{Skip to Say Box on Page 71, before #66}
Yes...............................................................☐ 1
Refused to answer.............................................☐ 7
Don’t Know.....................................................☐ 9

65a. Which type(s) of hepatitis vaccine have you had? [Read choices, check only one]

Hepatitis A vaccine..........................................☐ 1
Hepatitis B vaccine..........................................☐ 2
Hepatitis A and B vaccine.................................☐ 3
Other (Specify__________________).........................☐ 5
Refused...................................................................☐ 7
Don’t Know.....................................................☐ 9
ASSESSMENT OF PREVENTION ACTIVITIES

**SAY:** We would like to ask you about HIV prevention activities that happen around here.

66. In the past 12 months, have you received free condoms?

- No.......................................................... □ 0
- Yes.......................................................... □ 1
- Refused to answer..................................... □ 7
- Don’t Know.............................................. □ 9

**Skip to Page 72, #67**

66a. From what organization(s) did you get the condoms?

*Write down organization names and classify each organization, probe with additional questions if necessary. DO NOT Read organization types. Choose only one type for each organization.*

Organization(s):

- HIV/AIDS-focused community-based organization... □ 01
- GLBTQ community health center........................ □ 02
- GLBTQ organization (not a health center/HIV org.)... □ 03
- Needle exchange program................................ □ 04
- IDU outreach organization............................... □ 05
- Adult HIV/AIDS specialty clinic........................ □ 06
- Sexually transmitted disease clinic.................... □ 07
- Community health center/public health clinic......... □ 08
- Family planning clinic................................... □ 09
- Prenatal/obstetrics clinic................................ □ 10
- Drug treatment program.................................. □ 11
- Private doctors office (including HMO)................ □ 12
- Other....................................................... □ 13
- Refused..................................................... □ 77
- Don’t remember who gave them to me................ □ 99

66b. Have you used any of the free condoms you received?

- No.......................................................... □ 0
- Yes.......................................................... □ 1
- Refused to answer..................................... □ 7
- Don’t Know.............................................. □ 9
66c. Did getting these free condoms make you more likely to use condoms during sex?

No.......................... □ 0
Yes.......................... □ 1
Refused to answer............. □ 7
Don’t Know.......................... □ 9

67. In the past 12 months, not including when you may have been tested for HIV, have you had a one-on-one conversation with an outreach worker, counselor, or prevention program worker about ways to protect yourself or your partners from getting HIV or other sexually transmitted diseases?

No.......................... □ 0
Yes.......................... □ 1
Refused to answer............. □ 7
Don’t Know.......................... □ 9

67a. What organization(s) did this person work for?

[Write down organization names and classify each organization, probe with additional questions if necessary. DO NOT Read organization types. Choose only one type for each organization.]

Organization(s):

HIV/AIDS-focused community-based organization... □ 01
