# The Digital Archive Advantage...

## THE DIGITAL ARCHIVE COLLECTS

The Digital Archive collects the intellectual capital of Georgia State University in a single place to raise the profile of the university and its researchers.

## THE DIGITAL ARCHIVE ORGANIZES

The Digital Archive organizes the scholarship from departments, colleges, research centers, and faculty into a cohesive whole while highlighting the individual contributions.

## THE DIGITAL ARCHIVE DISSEMINATES AND PROMOTES

As an online open access institutional repository, the Digital Archive increases the impact of the scholarship it collects by making it freely available to anyone, anywhere, anytime.

## THE DIGITAL ARCHIVE PRESERVES

The role of academic libraries has long been to preserve the scholarly record of universities. The Digital Archive extends that role into the digital age by preserving the digital scholarly record of Georgia State University for future generations.
