This is a great article. Unfortunately, you published it in a journal that costs \$1,000 / year, which limits the number of people who will read it. However, if you put a copy of your article in the Digital Archive @ Georgia State University, it will be openly available to anyone online, greatly increasing its visibility, accessibility, and potential impact within your discipline.

Librarian Sharon Leslie shows a GSU faculty member the Digital Archive on an iPad.

Contact the Digital Archive today to have your publications, presentation and other scholarly or creative materials added to a permanent online collection that guarantees your work will be available to anyone who needs it anytime, anywhere.
