GOT QUESTIONS? WE'VE GOT ANSWERS.

When will there be wireless on Library North 1 and 2?

It's available right now!

When will the doors at the Library North entrance be automatic again, if ever?

They will remain manual doors until we replace the glass entry to Library North in Fall 2007. Once renovated, that entrance will have automatic sliding doors.

Where are the color copiers?

We have a scanner and a color printer on Library North 2, however, we currently do not have color copiers in the Library.

Where are the GIL Catalog terminals?

There's one on Library North 1 by the photocopiers, and one on Library North 2 close to the Research Support Desk.

Where are the books?

Call numbers A-HA are on Library North 4, HB-KD are on Library North 5, KDZ-PS are on Library North 4 in the compact shelving, Q call numbers are on Library South 4, and PT-PZ and R-Z are in storage (request these books at the Circulation Desk on Library North 1).
