Combined Elements

Noticing some changes around here? In the last few years we’ve gone from 5 service points down to 2 main desks. This is to simplify your experience using the library. This consolidation of services is almost finished. Here’s what you’ll find, and where it’s at.

**Library Services – Library North 1**
- Research assistance.
- Borrow and renew materials.
- Subject librarian consultations.
- Request reserves, media or storage items.
- Find books, articles and more.

**Technology Services – Library North 2**
- Hardware support.
- Library laptop and equipment checkout, including graph calculators, netbooks and flip cameras.
- Help with Desire 2 Learn, PAWs and Outlook.

Finally, a new print kiosk on Library North 1 will now have 4 print release stations as well as office supplies you may need like staplers, paper clips and more.

**Charged = Connected**

You need technology to study. But what if your battery’s down to 10%? To accommodate your devices the library has added charging stations through the facility.

Each station holds up to 8 devices, with 4 Apple, 3 Micro USB and 1 mini USB cables. They are currently located on Library North 1, 2 and 4. Remember though... don't leave your stuff unattended!

**Summer Semester Hours (6/10 – 8/3)**
- Monday – Thursday: 7:30 am – 9:00 pm
- Friday: 7:30 am – 6:00 pm
- Saturday: Noon – 6:00 pm
- Sunday: Noon – 9:00 pm
- CLOSED: July 4

**Semester Break (8/4 – 8/25)**
See [library.gsu.edu](http://library.gsu.edu) for more information.

**Collaborate & Visualize**

Wouldn't it be cool if you had a giant touch screen when you're collaborating with a group on a project? Gone are the days of trying to huddle around a 10-inch tablet or laptop screen with your friends. Later this summer, check into one of our new V-Rooms and use state-of-the-art technology to get the job done!

Each V-Room has a 60-inch interactive display system running on Windows 8 and using gesture based computing. There's a PC already running in each room or you can connect your own device, whether it's a laptop, tablet or smart phone.

The V-Rooms are next to our Technology Services Desk on the second floor of Library North. Go there to book a room and check out a kit that includes a wireless keyboard, a wireless mouse and all the cables you’ll need to connect.

Get virtual. Get visual. Get a V-Room.
