Dear Ms. Burtle:

Thank you for your email of November 18, 2014, requesting permission to use the final PDF of Peter Lindsay's article titled "Possessive Individualism at 50: retrieving Macpherson's Lost Legacy," which appears in our publication *The Good Society*, Vol. 21, No. 1, 2012, pages 132-150. We herewith grant you nonexclusive, for the English language only, permission to post the final PDF to ScholarWorks@Georgia State University. This use extends to the article's use in the repository as a whole and does not include the right to sell it. Neither are you authorized to make any other use, or authorize others to make any other use of the article in either print or nonprint or digital form. You are responsible for obtaining authorization from the original source to use any material that appears in the article with credit to another source.

Credit should be given appropriately and must include the following: Title of the Original Volume, Title of the Article, Name of the Author(s) or Editor(s), copyright notice, including the word copyright, the symbol, the copyright year, the name of the copyright owner, and the statement, "This article is used by permission of The Pennsylvania State University Press."

In consideration of the rights transferred the fee is no charge.

By exercising this right you hereby accept the terms of this letter.
